

How Yolo Works: A Genuine Connection with a Personalized Domain Address

Step 1 – Yolo Contractor makes a Genuine Connection with customer while doing day to day activities. Customer has questions on what to do while here in Hawaii.

Step 2 – Invite customer to visit your Yolo Approved personalized domain that will be redirected to www.yoloactivitieshawaii.com . There the customer will shop the website linked to the Yolo Contractor.

Step 3 – The customer books their activities while on the Yolo Contractor's link. All activities booked will be credited to Yolo Contractor.

Step 4 – When the activity is completed, payment will be made to the Yolo Contractor for commission earned.
